BANK ISLAM

Assuring Trust. Delivering Value.

Upon clicking the 'Kill Switch' button, you will be directed to the Kill Switch homepage

Click the '**Start Kill Switch**' button to perform **Kill Switch**

Complete the identification form

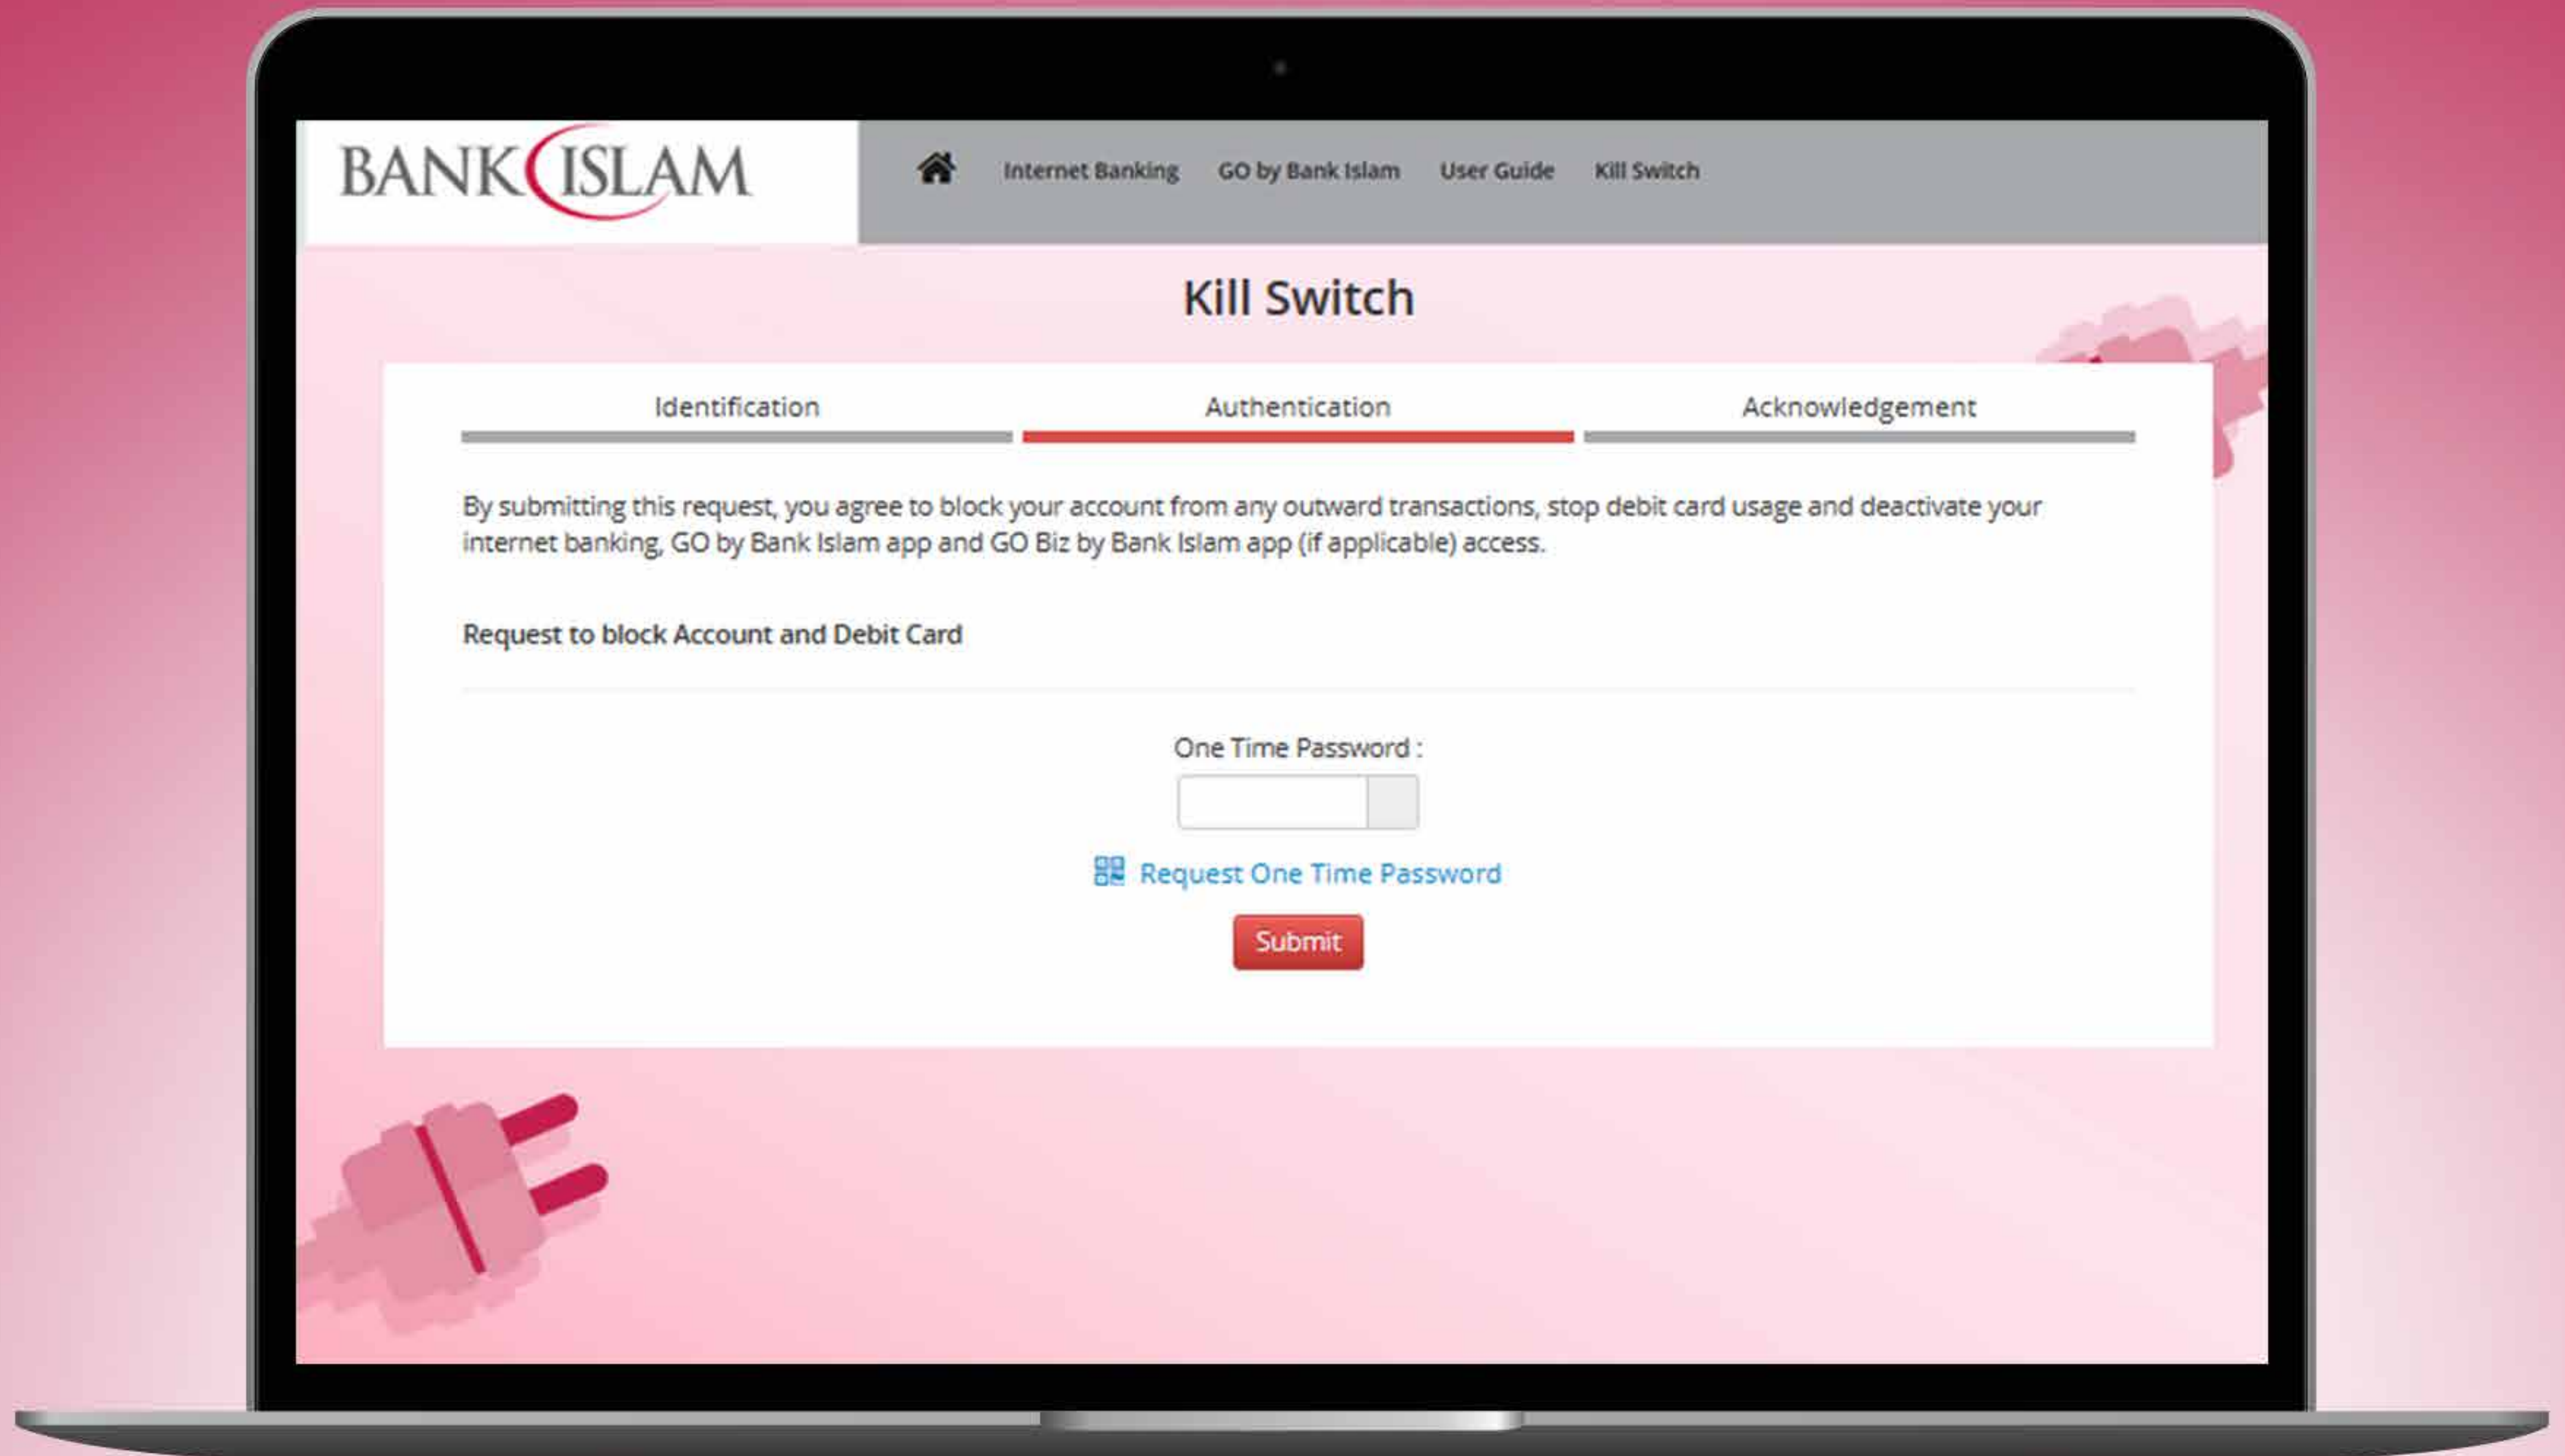

The image shows a laptop screen displaying the Bank Islam website. The page title is "Kill Switch". The navigation bar includes "Internet Banking", "GO by Bank Islam", "User Guide", and "Kill Switch". The main content area features a progress bar with three steps: "Identification" (highlighted in red), "Authentication", and "Acknowledgement". Below the progress bar, there is a form titled "Enter Details" with a dropdown menu labeled "Select", an input field labeled "Enter ID Number", and a red "Submit" button.

Step 1 Select **ID Type**

Step 2 Key in **ID number** based on the selection made

Step 3 Click '**Submit**' to proceed

Authentication Screen

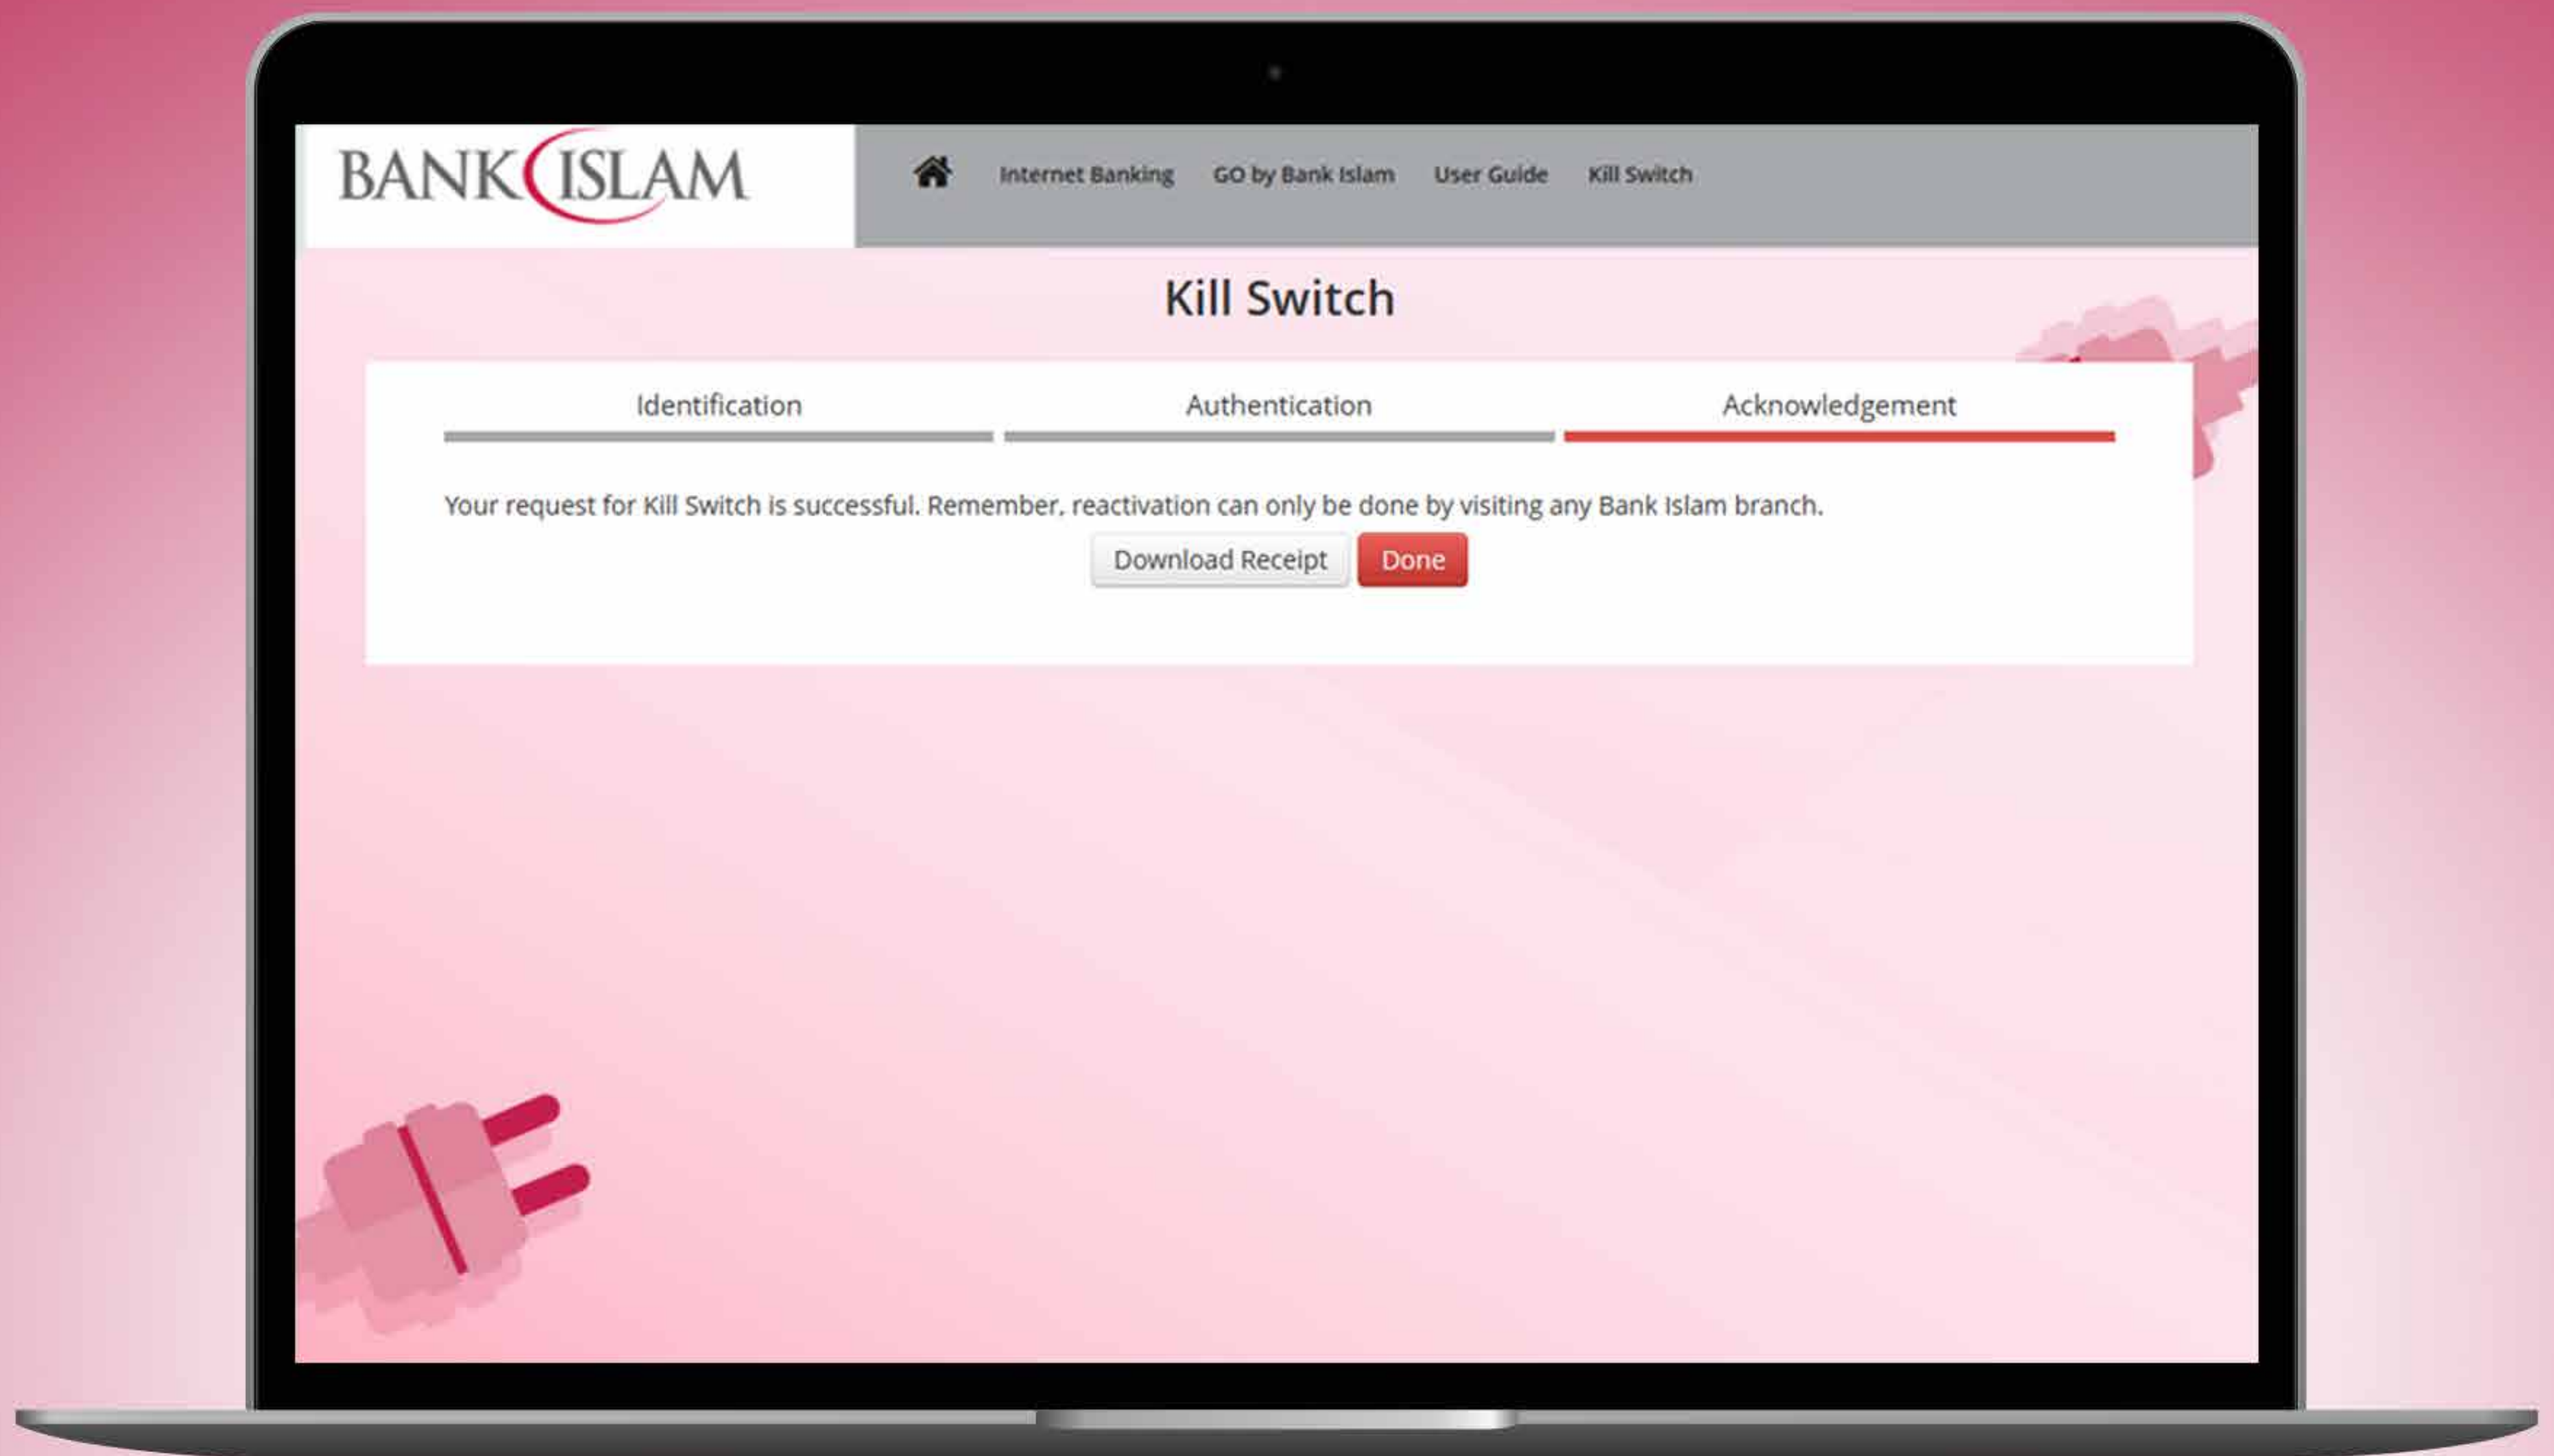

Step 1 Request and key in the **OTP** for authentication

Step 2 Click '**Submit**' to complete Kill Switch request

Note: **IB user** will receive OTP via IAC number

Non-IB user will receive OTP sent to the registered phone number

Upon completion, you will see the Acknowledgment Screen

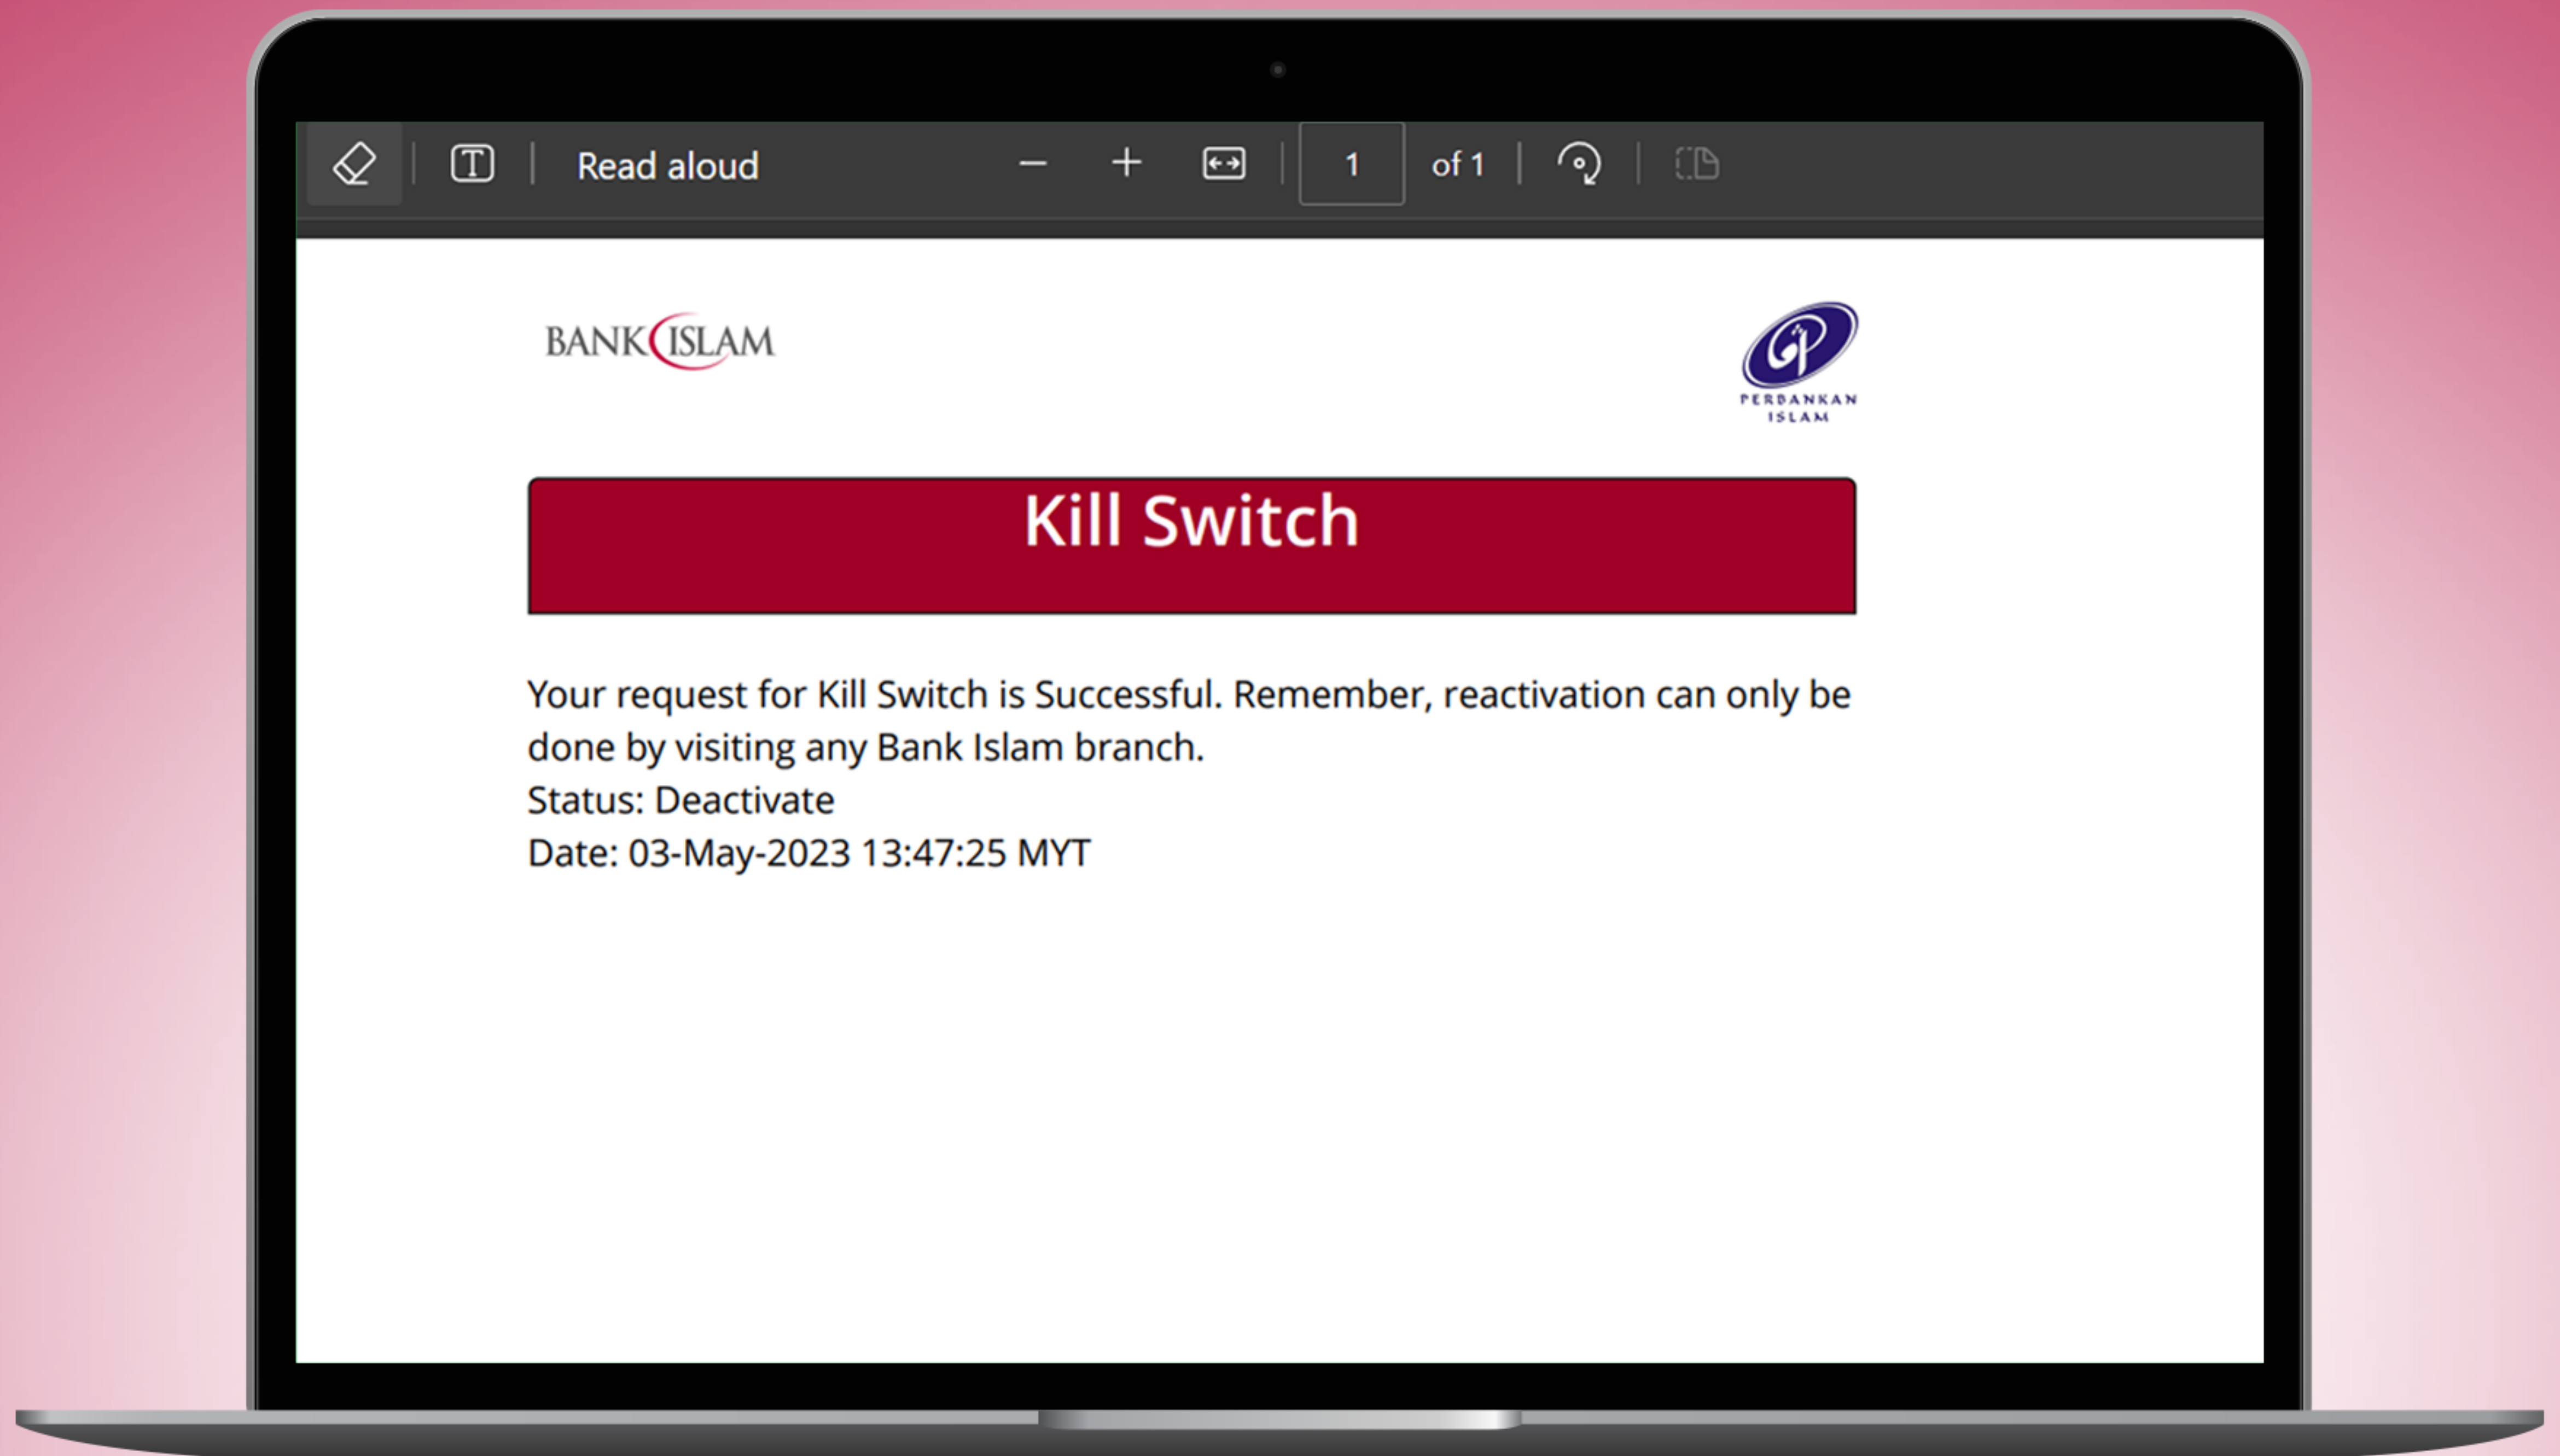

This means your **Kill Switch** request is successful

Reactivation of accounts can only be made by visiting any Bank Islam branch
