

FLOOD RELIEF **ASSISTANCE** FOR SME CUSTOMERS

The devastating flood affecting several states in Malaysia has led to property damages and travelling delays, which negatively affected a number of businesses already burdened by the recent pandemic situation. In view of this, Bank Islam is providing assistance to its SME customers who are directly impacted by the destructive floods. We are offering **moratorium** to help relieve our customers' financial burden, while assisting them to face the severe financial challenges posed by the worsening situation.

SME customers can find out more or apply for this assistance by contacting us directly at sme-assist@bankislam.com.my.

■ Eligibility Criteria

- i. Applicable to Bank Islam's SME customers with businesses located at flood-affected districts identified by Agensi Pengurusan Bencana Negara (NADMA) as flood disaster areas.
- ii. Active existing account with arrears of not more than 90 days at the date of application
- iii. Active restructured / rescheduled account / account under moratorium due to COVID-19 with arrears of not more than 90 days at the date of application.
